

INDY 1500 GUN & KNIFE SHOW EXHIBITOR RULES & REGULATIONS

Welcome to the Indy 1500 Gun Show. We appreciate your patronage. We have made and will continue to make every effort to insure a safe and profitable show. However, it is necessary to outline the following general show rules.

1. Exhibitors' parking is immediately east of the South Pavilion building, west of the Exposition Hall, and west of the West Pavilion building. Boxed vans and trailers must be parked in designated areas prior to the opening of the show.
2. Exhibitors will be allowed in the building at 8:00 a.m. on Saturday, and 8:00 a.m. on Sunday. Please make every effort to remain until the close of the show at 4:00 p.m. on Sunday. The ticket lobby doors may not be used for unloading or loading by order of the State Fair director. **No exceptions.**
3. The Indiana State Sales Division may have representatives attending this show in an official capacity. Be advised that the State sales tax is 7% of sales. Plan accordingly.
4. Adhesive stickers issued at check in are to be placed on all guns after they are sold. Please limit their use to guns only. This will enable us to verify that the gun has been purchased and not stolen from your tables.
5. The Indiana State Fire Marshal requires all table covers to be fire retardant.
6. **No refunds** given on tables cancelled. Credit will be given for the next show only. **No** credit for cancellations received during the week of the show.
7. No subletting of tables without prior approval.
8. The State Fair Director's office will require any exhibit deemed to be in poor taste to be modified or removed. No explosives, bombs, or related items will be allowed.
9. There will be no live ammunition (live, spent, blank, decorator, or anything that could be construed as ammunition) placed in any clip, magazine, cylinder, chamber, or barrel that looks like ammunition.
10. All displayed guns, short and long, must be tied. This includes guns inside glass cases.
11. Personal guns must be unloaded outside of the building and tied prior to entering.
12. Exhibitors will **NOT** be allowed to wear guns.
13. During the show hours to the public, no exhibitor is allowed to handle any customer's firearms that does not have a sticker and, or tied by our security staff.

Any violation of these rules will result in immediate and permanent expulsion from this show and all future shows under our control. No refunds will be given and no excuses will be accepted. The Indy 1500 staff and the Indianapolis police officers will be checking guns during the entire show. Exhibitors must abide all local, State, and Federal laws and show rules. Safety is our prime concern.
